Chris and Jhana, as Mike Kelly at TDA stated on the telephone conversation today, NPMA has a wealth of knowledge on fumigant clearing procedures for residential units and structures. Please see the below information, the last message has Mr. Jim Fredericks direct contact information for your teams on the ground.

Ken:

I informed Jim Fredericks with NPMA that I will be forwarding his contact information to you as an information resource on fumigants in order to assist with the clean-up efforts in Amarillo.

Mr. Frederick's email address, phone numbers, and address may be found in the email below.

Please let me know if any further information is needed.

Mike

Subject: Phosphine Incident

Mike,

We saw the news reports out of Amarillo regarding the fumigant incident. Fumigation stewardship is top priority for NPMA , please let us know how NPMA can help or act as a resource. I will reach out later today via telephone.
